There will be four Lessons for **Intermediate Players**
in the Elizabeth Gibson Centre

April 30 - May 14 - May 28 - June 11

Tuesdays 10am – 12pm

Discussion and play of four pre-dealt hands...

Hands 1 and 2: Improving Your Bidding - when and when
not to bid, and how high.

Hand 3: Improving your Card Play - planning the play,
developing tricks, managing your entries.

Hand 4: Working on your Defence - the most difficult
part of bridge. We will be looking at the
right card to play, and using 'signalling' to
indicate to partner what you like or don't like.
